PLAY
SAFE**

In partnership with
NSPCC

Supported by

FA Play Safe Campaign

This year Hampsthwaite and Birstwith Junior Football Club will be taking part in the Play Safe Campaign – football's national campaign to focus attention of the vital importance of safeguarding in our national game. This will be taking place on Saturday/Sunday 17th/18th September.

The campaign is officially supported by the NSPCC as well as the Premier League, EFL, Barclays Women's Super League and Barclays Women's Championship. It's also being backed by every other level of the game across England.

The FA is offering a free Safeguarding course to parents and carers showing the tools and information to recognise what should be in place to support their child to have a positive football experience in their club or football setting, as well as how to be able to identify and feel confident to report any concerns they may have about poor practice or abuse.

The course can be accessed by using the following link:
